<p>Authority: Commissioner</p>	<p>Originating Division: Health Services Division</p>	<p>Access Listing: Level I: All Access</p>

I. Introduction and Summary:

Offenders in the custody of the Georgia Department of Corrections (GDC) will receive the full range of treatment services necessary to meet contemporary standards in the community. Additional services will be provided as necessary to identify medical problems that might deteriorate as a result of the correctional environment or that might be hazardous to other offenders or staff. The ultimate decision regarding standard of care rests with GDC Medical Director. This procedure is applicable to all facilities that house GDC offenders to include private and county prisons.

II. Authority:

- A. GDC Standard Operating Procedures (SOPs): 507.01.01, Health Care Philosophy and Right to Treatment; 507.04.20, Orientation of Offenders for Access to Health Services; 507.04.22, Optical Services; 507.05.03, Guidelines for Dental Treatment; 507.04.37, Emergent/Urgent Care Services; 507.04.27, Sick Call; 507.04.28, Chronic Care Procedures and Protocols; 507.04.42, Infirmity Care; 507.04.09, Hospital and Specialized Ambulatory Care; and 507.04.43, Medication Distribution System; and
- B. National Commission on Correctional Health Care (NCCHC) 2014 Adult Standards: P-A-01, P-E-0;
- C. NCCHC 2015 Juvenile Standards: Y-A-1, Y-E-01; and
- D. ACA Standards: 4-4344 (MANDATORY) and 4-4407.

III. Definitions: None.

IV. Statement of Policy and Applicable Procedure:

- A. All offenders will receive an intake screening, physical assessment, mental health assessment, appropriate lab tests, indicated vaccinations and infectious disease screening on intake.
- B. Offenders will receive an orientation and be informed about how to access health services, mental health services, and the grievance system. This information is
