Jacksonville State University
Transaction Definition

Line #	Type of Transaction	Definition
6	Construction Contracts	A construction contract is a mutual or legally binding agreement between two parties based on policies and conditions recorded in document form. The two parties involved are one or more owners, and one or more contractors.
7	Contracts for Goods and/or Services	An agreement by which a seller promises to supply all of the specified goods or services that a buyer needs over a certain time and at a fixed price, and the buyer agrees to purchase such goods or services exclusively from the seller during that time.
8	Maintenance Contracts	A business agreement between a contractor and customer covering maintenance (of buildings, software, hardware or other equipment) over a specified period.
9	Contracts related to Gifting	An agreement relating to the acceptance and administration of a gift to JSU.
10	Subscription and Use License Agreements	A licensing agreement is a legal contract between two parties, known as the licensor and the licensee. In a typical licensing agreement, the licensor grants the licensee the right to produce and sell goods, apply a brand name or trademark, or use patented technology owned by the licensor.
11	Athletic Agreement (game contracts)	Game contracts with other institutions.
12	Leasing of Real Property	A rental agreement between owner/landlord and tenant.
13	Easements	A right to cross or otherwise use someone else's land for a specified purpose.
14	Purchase or Disposition of Real Property	A contract to purchase or sale real estate or a residential purchase agreement—is a binding, bilateral agreement between two or more parties. They must each have legal capacity to make the purchase, exchange, or other conveyance of the real property in question.
15	Sponsored Program/Grant Contracts	A contract executed between the granting agency and the grantee after a grant application or proposal has been selected and approved for funding under a grant program.
16	Academic Affiliation Agreements	Agreements to set forth procedures for establishing a contractual relationship between the JSU and affiliates with respect to the responsibilities and liabilities of both parties.
17	Patents, Licenses & Research and Proprietary Rights	A government authority or license conferring a right or title for a set period, especially the sole right to exclude others from making, using, or selling an invention. Property rights of an owner of proprietary information that may be protected under law.
18	International Student Agreements (enrollment)	Standard agreements with a third party to assist in the recruitment of international students.
19	Agreements related to Student Activities	Agreements related to student activities and events (e.g., speakers, performers, other entertainment, etc.)
20	Contract Change Orders	A change order is work that is added to or deleted from the original scope of work of a contract.
21	Non-Disclosure Agreements	Standard confidentiality agreement outlining confidential material, knowledge, or information shared between JSU and another party and the restriction of access to or by third parties.
22	Non-employment Legal Settlements	a settlement is a resolution between disputing parties about a legal case, reached either before or after court action begins.
23	Faculty Employment Contract	Agreements between JSU and its instructors to provide instruction for the current term or academic year.
24	Employee Benefits	A form of compensation paid by employers to employees over and above regular salary or wages. Employee benefits come in many forms and are an important part of the overall compensation package offered to employees.
25	Pay Adjustments	Pay adjustment refers to the change in the pay rate of an employee. You can alter the salary or hourly wage of an employee. Normally, compensation adjustment is a pay rate increase, like when a worker earns a raise.
26	Promotions	The advancement of an employee to a more important rank or position.
27	Budgeted Hires	Employ someone within approved budgetary limits.
28	Non-Budgeted Hires <i>(Additions to faculty or staff resulting in unbudgeted increased payroll cost)</i>	Employ someone outside of approved budgetary limits.
29	Termination	Termination is when an employee's job ends voluntarily or involuntarily.
30	Leave of Absence (disciplinary)	Removing an employee from the workplace pending the outcome of an investigation.
31	Employment Contracts	A contract used in labor law to attribute rights and responsibilities between parties to a bargain and may contain pay, benefits and other considerations during a defined length of time.
32	Severance Agreements and Legal Settlements (employment related)	A contract/agreement/settlement between an employer and employee documenting the rights and responsibilities of both parties in the event of job termination.
33	Federal and State Tax	A compulsory contribution to state/federal revenue levied by the government.
34	Investments	The action or process of investing money for profit or material result within the requirements of the State of Alabama law.
35	Sale of Surplus Property	Property that is retained by JSU, but is not currently being utilized.
36	Purchase Order	A legally binding document between a supplier and JSU detailing the items purchased at a certain price point, delivery date and terms of payment.
37	Casualty and Property Insurance	Agreements with a third party provider providing compensation for specified loss or damage.
38	Expense Reports	Submission of detailed and supported expenses by an employee for reimbursement by JSU.
39	Out of State Travel	Travel outside of the State of Alabama.
40	Naming of Campus Facilities	Naming rights are honorary recognition of service to JSU. Naming rights also can be named for donors provide private funds for support of a JSU program or a financial transaction and form of advertising whereby a corporation or other entity purchases the right to name a facility or event, typically for a defined period of time.
41	Budget	The estimated annual revenue and expenditures for JSU.
