- D. Supervisors are responsible for ensuring that each Payroll Timesheet for their subordinates is complete, legible, signed and received by the Fiscal Technician or designee before 08:00 hours on Mondays of a new pay period, or as instructed. Payroll timesheets may be submitted earlier than Mondays for those on shift work, extended absence, or days off at the conclusion of the pay period.
- E. Supervisors should have their subordinates' Payroll Timesheets done ahead of time for any planned extended absence, such as vacation or training.
- F. The actual number of hours worked or on leave is entered in the appropriate box.
- G. The "Comments" sections should be used to specify work assignment hours outside normal duties, such as school, seminars, or temporary assignments.
- H. Hours worked are entered in the box of the date that corresponds to the date on which the shift started.

**II. Annual Leave**

- A. Annual leave is governed by Section 5.13 of the Employee Handbook.

- G. All requests for leave should be acted on as rapidly as possible. Any delay in approving / denying leave should be explained to the requesting member as soon as possible.
