Cancellation:
Purchased License While
Suspended or Revoked

The Driver License Office charges a minimum fee of \$6.25 to access your driver license record – this includes all questions, research, and all transactions.

Your driving privilege must be valid in all states before a Florida license may be issued. If you purchase a Florida license when you were otherwise suspended or revoked in Florida or any other state (even if without your knowledge), your Florida license will subsequently be cancelled when the out-of-state suspension or revocation is discovered.

To reinstate the cancellation when this occurs:

- You must take steps to ensure that the suspension or revocation in the other state has been cleared.
If you were provided a letter of clearance, you must submit the original letter to our office at the time of reinstatement.
You must pay the reinstatement fee depending on whether or not you were suspended or revoked in Florida or another state at the time of your application for Florida license:
Suspended in Florida or Out-of-State: \$51.25
Revoked in Florida or Out-of-State: \$81.25

Need a replacement license?

You will be required to pay an additional \$25 at the time of reinstatement and you must submit documents that establish your identity pursuant to the Real ID Act (e.g. US birth certificate, US passport, USCIS/INS documents, proof of name change(s), Social Security Card and 2 proofs of residential address) unless you already have a Real ID compliant Florida driver license. For a complete list of acceptable identity documents, visit flhsmv.gov/whattobring.

Check the status of your license at https://services.flhsmv.gov/DLCheck/!

Not a Manatee County resident? Our offices are open to the public by appointment only for Manatee County residents/businesses. All out-of-county residents must visit their home county for processing.
