Ignition Interlock (P Restriction)

AN APPOINTMENT IS REQUIRED TO COMPLETE THIS TRANSACTION

Visit taxcollector.com to schedule an appointment.

ANY service, including general information, provided by our Driver License Office is subject to \$6.25 at the beginning of the visit. Additional transaction fees may apply.

Section 316.193, Florida Statutes, mandates ignition interlock devices (IID) be installed on the vehicles of certain persons convicted of Driving Under the Influence (DUI). When required due to DUI conviction or directed by the court, an Ignition Interlock Device (IID) must be continuously installed on your vehicle(s) for a specified time period.

Note: There is no reinstatement exception if a vehicle is not owned or routinely operated by the suspended individual.

IID VENDORS

Drivers who are required to have an IID installed will need to contact one of the vendors listed below for installation.

Table with 3 columns: Contracted Vendor, Vendor Website, Contact Information. Rows include ALCOLOCK, Guardian Interlock, Smart Start, and Intoxalock.

IID INSTALLATION PERIODS

The standard installation time periods are listed below, however a court can authorize a longer time period.

Table with 2 columns: Conviction, Time Period. Rows list conviction levels from first to fourth or subsequent with corresponding time periods.

- If you have not had an IID installed on your vehicle(s), this will be reflected on your driver license record. Visit an IID vendor (see above) to have the IID installed on your vehicle(s). Once installed, you must visit our office to have the P restriction added to your driver's license.

VIOLATIONS OF IID REQUIREMENTS

A violation of the IID (P restriction) may be an event such as: 2 breath tests above the fail point upon start-up, a refusal to provide a rolling retest deep lung breath sample, a rolling retest above the fail point, or tampering, which breaches the guidelines for use of the IID.

Table with 2 columns: Violation, Time Period. Rows list First violation (1 year revocation) and Second violation (5 year revocation).

CANCELLATIONS FOR FAILURE TO COMPLY

Your driving privilege will be cancelled as a result of any of the following:

- Failure to report for IID vendor download appointment
Failure to pay vendor fees
Failure to schedule an IID violation appointment
Failure to report for treatment referral
Early de-install of IID

Prior to cancellation of your driving privileges, contact a licensed DUI Program Provider that serves the county where you live, work, or attend school to schedule an appointment. The DUI program will review the use of the IID with you and discuss the circumstances related to the cancellation. For additional information related to Cancellations for Failure to Comply, contact the Bureau of Driver Improvement at (850) 617 2505.

Table with 3 columns: Manatee County DUI Program Provider, Phone, Address. Row 1: State College of Florida Traffic Safety Institute, (941) 752-5286, 5840 26th Street West Bradenton, FL 34207

OUT-OF-STATE IID COMPLIANCE

If you have questions about using an out-of-state vendor to install an IID (you live in another state), contact the Bureau of Driver Improvement at (850) 617 2505 for assistance. The Bureau of Driver Improvement will determine if the out-of-state vendor will be able to comply with Florida’s IID requirements. Note: The Division of Driver Licenses in Tallahassee will not accept an out-of-state vendor installation for customers who live in Florida.

EXCEPTIONS FOR IID INSTALLATION

- Medical Exceptions: If you are unable to operate an IID for medical reasons, you will need to contact the Bureau of Driver Improvement at (850) 617-2505. In all cases, you will be required to submit medical documentation that will be considered by the Medical Review Board. If approved, a Medical Waiver will be issued and an indication of this will be placed on your driver license record. You will still be required to serve your revocation period, but you will be exempt from IID requirements.
Employment Vehicle Exceptions: If you meet the IID requirements, hold a valid license with a “P” restriction, and have written permission from the employer, you may operate the employer’s vehicle for job-related purposes without the required IID. The letter granting permission from the employer is to be kept with the vehicle and provided to law enforcement should you be stopped for a traffic violation. Contact the Bureau of Driver Improvement for full requirements at (850) 617-2505.

Not a Manatee County resident? Out-of-County residents can only be served at our Driver License Office, located at 904 301 Blvd W, Bradenton. An appointment is required. Visit taxcollector.com to schedule an appointment. You must select the “Non-Manatee County Resident DL/ID Card Transaction” Service in order to be served. Testing services (e.g. road testing, written exams) are provided for Manatee County residents only.
