DUI Schools, Treatment & Supervision

ANY service, including general information, provided by our Driver License Office is subject to \$6.25 at the beginning of the visit. Additional transaction fees may apply.

Not a Manatee County resident? Out-of-County residents can only be served at our [Driver License Office](#), located at 904 301 Blvd W, Bradenton. An appointment is required. Visit taxcollector.com to schedule an appointment. You must select the “Non-Manatee County Resident DL/ID Card Transaction” Service in order to be served. Testing services (e.g. road testing, written exams) are provided for Manatee County residents only.

When reinstating a DUI-related suspension or revocation, you must show proof of enrollment or completion in DUI School, which will be scanned and subject to verification. (**Note:** When applying for a hardship license for DUI revocation at a [BAR Office](#), you must show completion [not enrollment].)

There are two levels of DUI School based on prior DUI convictions. All costs involved in these programs will be incurred by you.

- **LEVEL 1:** Required for first-time DUI convictions.
- **LEVEL 2:** Required for multiple DUI convictions.

If “additional treatment” is stipulated on your completion certificate, you will be required to attend substance abuse treatment. (Proof of enrollment or completion of substance abuse treatment is not necessary when reinstating your license. However, should you not comply, your license will be cancelled. See below for more details.)

Special Supervision Service: If you have had multiple DUI convictions and have been granted a hardship license, you must take part in special supervision in addition to Level 2 DUI School. (This comes after the hardship license has been issued, so it’s not necessary to verify enrollment when reinstating your license. However, should you not comply, your license will be cancelled. See below for more details.)

DUI SCHOOLS

Our local DUI School is hosted by the **State College of Florida Traffic Safety Institute** (941) 752-5286. However, you may choose to complete your DUI School with another acceptable provider. Providers can be found at: flhsmv.gov/ddl/dui_prog.html or in the phonebook.

Please note the following:

- Out-of-country DUI School is not acceptable
- Military DUI School must be from Prevent
- If you are a Florida resident, you cannot go out-of-state to complete DUI School
- Out-of-state DUI School is only acceptable if you have moved to another state (the DUI School must be licensed by the licensing authority in their new state)

If you live or work part-time in another state, you may request an exception. Call (850) 617-2000 for assistance.

DUI Schools, Treatment & Supervision

FAILURE TO COMPLY

If you fail to comply with DUI School (including treatment and/or supervision), your driving privilege will be cancelled.

DUI SCHOOL - You have 90 days to complete DUI School after reinstating your license. If you fail to complete it within that time period, your license will be cancelled until the course is successfully completed. To reinstate the cancellation, you must provide proof of completion of DUI School, which will be scanned and subject to verification. In addition, you must pay \$6.25 to reinstate the cancellation.

TREATMENT - If the DUI Program notifies the Division of Driver Licenses in Tallahassee that you failed to complete the Substance Abuse Treatment Program, your license will be cancelled. The cost to reinstate the cancellation is \$6.25. And, depending on prior cancellations, you would be required to submit:

First Cancellation – You must provide form HSMV 77096 **dated not more than 30 days ago****. The form must indicate: (1) you have re-entered and are currently participating in treatment, or (2) you have completed the Substance Abuse Treatment Program. Form HSMV 77096 will be scanned and subject to verification.

Second Cancellation - You must provide form HSMV 77096 **dated not more than 30 days ago****. The form must indicate that you have completed the Substance Abuse Treatment Program. (You will not have the option of showing proof of current participation if it is your second or subsequent cancellation for this reason.) Form HSMV 77096 will be scanned and subject to verification.

**If the form HSMV 77096 is dated more than 30 days ago, it will not be accepted.

SUPERVISION - If you volunteered to participate in the DUI Supervision Program as a condition of early reinstatement (hardship license) but you fail to attend and participate, your license will be cancelled. You will be required to wait out the cancellation period; and once it has expired, you would be eligible to reinstate for \$6.25.

When reinstating, if you need a **replacement license or ID card**, you will be required to pay an additional \$25.00 and submit documents that establish your identity pursuant to the Real ID Act (e.g. US birth certificate, US passport, name change(s) documents, USCIS (INS) documents, Social Security Card and 2 proofs of residential address). You may be exempt from providing these documents if you have already been issued a Real ID compliant Florida license or ID card. For a complete list of acceptable identity documents, visit flhsmv.gov/whattobring.
