ANY service, including general information, provided by our Driver License Office is subject to \$6.25 at the beginning of the visit. Additional transaction fees may apply.

Not a Manatee County resident? Out-of-County residents can only be served at our [Driver License Office](#), located at 904 301 Blvd W, Bradenton. An appointment is required. Visit taxcollector.com to schedule an appointment. You must select the “Non-Manatee County Resident DL/ID Card Transaction” Service in order to be served. Testing services (e.g. road testing, written exams) are provided for Manatee County residents only.

The No-Fault Law (S. 627.733, 627.734, and 627.736(9)(a), F.S.) requires all licensed insurance companies to **electronically report the initiation and termination** of Personal Injury Protection (PIP) and Property Damage Liability (PDL) coverage policies to the Department of Highway Safety and Motor Vehicles (DHSMV).

If the DHSMV receives notice of your **policy termination** and **no replacement policy** can be verified through the electronic insurance data file, a Financial Responsibility suspension will be applied your driver license record.

This type of suspension affects your driver license and any plates/registrations in your name.

If your license is suspended or revoked, we urge you not to drive to or from our office, as you may be ticketed or arrested by law enforcement if caught driving. (There are no exceptions or allowances in Florida Statutes [the law] that would allow a person to drive to a tax collector or driver license office on a suspended or revoked license.)

This type of suspension remains in effect for three years from the original suspension date or **until you comply with the following reinstatement requirements:**

YOU DID NOT HAVE PIP AND PDL ON THE SUSPENSION DATE

- Present **proof of Florida PIP and PDL** in your name and in effect now. The proof of insurance may be a card, policy, or binder, provided it lists PIP and PDL coverage. If the insurance was already submitted and was denied, a letter on letterhead from the insurance company must be presented and must include: insurance company/agent contact info, insurer name, policy number, company code, policy period, vehicle(s) insured, coverage (including PIP and PDL) and name of insured. Or, Florida insurance for another policy/company must be presented. (If you moved out-of-state and registered your vehicle(s) in another state prior to the original suspension date, ask an associate for additional details)
- Pay the **reinstatement fee** based on previous suspensions, provided no other issues are on file making your record otherwise ineligible for reinstatement. This fee is in addition to any other fees due for other suspensions cleared at the same time.
 - \$156.25 (1st suspension)
 - \$256.25 (2nd suspension within 3 years from 1st reinstatement date)
 - \$506.25 (3rd suspension within 3 years from 1st reinstatement date)
- Your proof of Florida insurance will be **scanned** and subject to verification.
