Out-of-State Driver License/ID Card Transfer to Florida

The Federal Real ID Act requires documentation that establishes your identity when applying for a Florida Driver License or ID Card. This applies even if you have already provided these documents to another state. Once you’ve submitted documentation establishing your identity, you will become Real ID Compliant.

Refer to page 2 for a snapshot of the most common documents provided. For a complete list of acceptable identity documents, visit flhsmv.gov/whattobring.

Not a Manatee County resident? Out-of-County residents can only be served at our Driver License Office, located at 904 301 Blvd W, Bradenton. An appointment is required. Visit taxcollector.com to schedule an appointment. You must select the “Non-Manatee County Resident DL/ID Card Transaction” Service in order to be served. Testing services (e.g. road testing, written exams) are provided for Manatee County residents only.

If you wish to complete your driver license or ID card transaction at one of our offices, you must complete an Application for Driver License or ID Card. This form can be obtained at taxcollector.com/dl-forms.cfm. Visit taxcollector.com to schedule an appointment and avoid the line.

If your out-of-state driver license or ID card has been lost or stolen, you must schedule an appointment on taxcollector.com to transfer it to Florida. Select the “First Time ID Card Issuance” service for your appointment. You must also provide a driving transcript from the current state in which you are licensed.
