# Referred to the Driver License Office

The Manatee County Tax Collector's Office offers a full range of driver license services; however, four of our offices only process limited services. Limited services for US and Naturalized Citizens (who have been naturalized for over two years and have a FL DL/ID) include the following: replacement of a lost Florida license, address and/or name change, renewal, and out-of-state transfer to Florida.

All other transactions, outside of the limited services listed [including testing, commercial (CDL) licenses and suspensions/revocations], must be processed at the **Driver License Office** located at 904 301 Blvd. W., Bradenton, 34205. There is a minimum fee of \$6.25 due up front for all visits, including inquiry-only visits.

**Not a Manatee County resident?** Out-of-County residents can only be served at this office, located at 904 301 Blvd W, Bradenton. An appointment is required. Visit [taxcollector.com](http://taxcollector.com) to schedule an appointment. You must select the "Non-Manatee County Resident DL/ID Card Transaction" Service. Testing services (e.g. road testing, written exams) are provided for Manatee County residents only.
