Not a Manatee County resident? Out-of-County residents can only be served at our [Driver License Office](#), located at 904 301 Blvd W, Bradenton. An appointment is required. Visit taxcollector.com to schedule an appointment. You must select the “Non-Manatee County Resident DL/ID Card Transaction” Service in order to be served. Testing services (e.g. road testing, written exams) are provided for Manatee County residents only.

Your driving privilege may be suspended because you have been adjudicated incompetent to drive by a court of law. Any questions related to this suspension must be directed to the court of law that declared you incompetent to drive.

Note: This may also come as a result of questions you answered in attempts to be issued a Florida driver license.

To clear this suspension and reinstate your driver license, the following must be completed. (Note: Florida law does not allow for early reinstatement or a hardship license for this type of suspension.)

- Provide our office with an official court order that indicates a **full restoration of your competency** or that **specifically restores your privilege to drive**. (This must come from the court that reported the incompetency.) This document will be scanned and subject to verification. It will be returned to you.
- Pay \$6.25 to reinstate your license. (The reinstatement fee is charged for each suspension.)

Need to replace or renew your license?

You will be required to pay an additional \$25 to \$48 at the time of reinstatement and you must submit documents that establish your identity pursuant to the Real ID Act (e.g. US birth certificate, US passport, USCIS/INS documents, proof of name change(s), Social Security Card and 2 proofs of residential address) unless you already have a Real ID compliant Florida driver license. For a complete list of acceptable identity documents, visit flhsmv.gov/whattobring.
