ANY service, including general information, provided by our Driver License Office is subject to \$6.25 at the beginning of the visit. Additional transaction fees may apply.

Not a Manatee County resident? Out-of-County residents can only be served at our [Driver License Office](#), located at 904 301 Blvd W, Bradenton. An appointment is required. Visit taxcollector.com to schedule an appointment. You must select the “Non-Manatee County Resident DL/ID Card Transaction” Service in order to be served. Testing services (e.g. road testing, written exams) are provided for Manatee County residents only.

Our records indicate that you have unresolved suspension(s) and/or revocation(s) in another state(s). If you are unsure of the state(s) in question, our office can provide this information to you.

Your Florida driver license **cannot be issued** until you have resolved the issues in question.

You have two options:

#1 OBTAIN ELECTRONIC CLEARANCE – After resolving the issues with the state(s) in question and paying any applicable fees to them, the state can elect to electronically clear the sanction(s). If they choose this option, we would not need a letter of clearance. However, **your driving privilege must be returned to an “eligible status” in our records** before we could issue your Florida driver license. In many cases, this process is not instantaneous and it can take up to 48 hours to update. Please verify this information with the state when you contact them. Do not call our office to inquire on your status, as we will not provide this information over the phone. If you are unsure of the status, you must call the state(s) in question or return in person to our office.

#2 OBTAIN A LETTER OF CLEARANCE – After resolving the issues with the state(s) in question and paying any applicable fees to them, the state can elect to mail, fax or e-mail letter(s) of clearance to you. If they choose this option, you must **provide the letter(s) of clearance to our office**. The letter(s) must contain your full name, the citation number(s) and specifically indicate that the issues are resolved and your driving privilege has been reinstated in that state.

Note: If you hold a **Commercial Driver License** (CDL), this option is not available to you. The state(s) in question, must comply with option #1 above.
