The public school district has notified the Division of Driver Licenses that you failed to comply with school attendance requirements; therefore, your driving privilege has been suspended. If you are currently unlicensed, we will withhold eligibility and deny issuance of a Learner License until your suspension is cleared and your driving privilege has been reinstated.

To reinstate your license, the following must be completed based on circumstance. (Note: Florida law does not allow for early reinstatement or a hardship license for this type of suspension.)

YOU ARE NOT CURRENTLY LICENSED – If you are under 18 years of age, you must submit one of the following. (If you are 18 years of age or older, no documentation would be required. However, you would still be required to visit our office and pay the applicable fee to reinstate your driving privilege.) The document submitted will be faxed to the Division of Driver Licenses and subject to verification. And, **\$6.25** will be collected to reinstate your license.

- A properly completed HSMV [72870](#) dated within 30 days of the current date (public school or private school)
- An HSMV [72871](#) (home school)
- A high school diploma/high school completion certificate **from an accredited school**
- A letter on school letterhead **from an accredited school** that states that the suspension was requested in error

YOU ARE LICENSED BUT THE SUSPENSION IS NOT IN EFFECT YET – If you are under 18 years of age, you must submit one of the following.
