Basic Respite	RE1	\$17.10	The purpose of respite is to provide intermittent, time limited relief from the day-to-day demands and parenting responsibilities for children placed in foster care. The respite will be provided in a licensed respite or foster home, or by an individual meeting Child Welfare policy requirements for providing the service. RE1 is for foster parents who have completed basic care training and whose foster children are at a basic care rate.
Specialized Respite	RE2	\$20.40	The purpose of respite is to provide intermittent, time limited relief from the day-to-day demands and parenting responsibilities for children placed in foster care. The respite will be provided in a licensed respite or foster home, or by an individual meeting Child Welfare policy requirements for providing the service. RE2 is for foster parents who have completed specialized care training and whose foster children are at a specialized care rate.

OUT OF HOME CARE REIMBURSEMENT RATES

Structured Respite	RE3	\$31.70	The purpose of respite is to provide intermittent, time limited relief from the day-to-day demands and parenting responsibilities for children placed in foster care. The respite will be provided in a licensed respite or foster home, or by an individual meeting Child Welfare policy requirements for providing the service. RE3 is for foster parents who have completed structured care training and whose foster children are at a structured care rate.
Medically Fragile Child	MFC	\$11.00	This is an auxiliary code for medically fragile children to be attached to the specialized foster care rate.
