Definitions:

- **Farm Use – Class 5** - Vehicles owned by persons engaged in the business of actual farming used primarily, but not exclusively, in carrying farm produce raised on their farms from such farms to market, or returning therefrom carrying goods and merchandise back to their farms, this individually or cooperatively, but not for hire, shall be Class 5. Those vehicles owned by persons engaged exclusively in the business of hauling milk and milk products for dairy cooperatives or any other milk plant also shall be Class 5.

- **Farm Produce** - Shall include, but not be limited to, fruits, vegetables, livestock, fish, shellfish, bees, and chickens.

- **Gross Combined Weight Rating (GCWR)** - The maximum allowable combined mass of a towing road vehicle, passengers, and cargo in the tow vehicle, plus the weight of the trailer and cargo in or on the trailer, which can be determined by adding the GVWR of all units in the combination.

- **Gross Vehicle Weight Rating (GVWR)** - The net weight of the vehicle, plus the weight of the passengers, fuel, cargo and any additional accessories. The rating is set by the vehicle manufacturer and is shown on the manufacturer certificate of origin (MSO).

- **Gross Weight** - The weight of a vehicle or vehicle combination without load on all axles, including the steering axle plus the weight of any load thereon.

- **Truck** – Every motor propelled single vehicle for the conveyance of property or things for hauling purposes and having one front or steering axle and one rear or load carrying axle.

- **Truck Tractor** - A motor vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load drawn.

Requirements:

- Refer to Policy 5.28.00, Truck and Tractor License Plates, for a list of required documents.
  
  o A Statement of Farm Use is required:
    
    ▪ Upon initial issuance of a farm plate
    ▪ Transfer of a vehicle which bears a farm plate, if the new owner wishes to retain the plate

- Trucks used for purposes defined within multiple classes shall be issued a Class 1 plate.
- Vans and sport utility vehicles used primarily, but not exclusively, in carrying farm produce raised on their farms from such farms to market, or returning therefrom, carrying goods and merchandise back to their farms, this individually or cooperatively, but not for hire, will be issued a Class 5 Farm Truck Plate.

**Fees:**
- Light farm trucks under 10,000 lbs. and trailers will be issued a four-year license plate with a staggered expiration.
- Heavy farm trucks over 10,000 lbs. will be issued a one-year plate that expires June 30th of each calendar year.
